Debra,

I thought I would let you know that Antoine Puech and Larry Hodges from AgLogic and Amy Ritter from Waterborne will also be on the call this afternoon. Talk to you soon.

Hi Ann,

As the agent, it is up to you. However, it seems to us, that it may be a good idea to include them in these early discussions, if they are available.

Hi Ann,

Would you be available to speak with us tomorrow (12/8/20) at 2:00 pm (ET) to discuss the pending action for aldicarb? We now have a better idea of the mitigation and registration conditions that are likely needed to move forward with the approval of the pending uses.

Please let me know if this time will work for you and I will set up a calendar invite. Alternatively, you could propose some alternate times and I would check them against our calendars.

Regards,  
Debra
